

Health Care Coverage For Your Child

Every child **must** have good health care, so health care **must** be affordable.

Health care for children is now more available and affordable than ever before!

If you would like FREE or low-cost health insurance for your children, call today to request an application: toll-free 1-877-543-7669. The health coverage includes doctor visits, prescriptions, hospital, dental care, eyeglasses and more.

You can also fill out and print an application online at www.ParentHelp123.org or www.AppleHealthForKids.wa.gov

Call or log-on today to receive more information about this health coverage. An affordable option now exists! Even if your children have private coverage, you may still be eligible for assistance.

| Family Size | Family Income per Month |
|-------------|-------------------------|
| 1 | \$2,167 |
| 2 | \$2,917 |
| 3 | \$3,667 |
| 4 | \$4,417 |
| 5 | \$5,167 |
| 6 | \$5,917 |

These are general income guidelines. If your income is close to these monthly amounts, you could still be eligible. Income guidelines are expected to increase in January 2009 and again in April 2009.

Thank you!

Healthy Kids = Successful Students!
